

"We are a family owned business since 1954. We take great pride in providing the very best workplace environment for our staff of over 200 at Bellevue. The team at Praxis Benefits did a great job enhancing, upgrading and working with us to provide an incredible benefit program and a restructured major medical solution. Our team loves the benefits and, from a financial perspective, Bellevue was able to reduce our recurring operating expenses by over \$100,000 per year!"
